Arcadia Jaw-Jacker Ale \$4.50/pint

Using only the finest malted barley and a touch of wheat for mouth-feel, Jaw-Jacker pours a brilliant orange-amber color with truly unique flavors. Although no pumpkins are used, a blend of nutmeg, allspice and cinnamon work with malty flavors to create a bold flavor reminiscent of pumpkin pie. A light hop note balances out the beer nicely.

Arcadia London Porter 12oz. \$4.50

Arcadia's London Porter has a subtle accent of beechwood smoked malt, which comes through nicely in the aroma and the flavor. Brewed using seven varieties of premium European malted barley, this full-bodied beer is characterized by hints of chocolate and coffee, and balanced by a long-lingering hoppy bitterness.
